

# Hog Roast

Hog roasts are a fantastic choice for any event. Our succulent, spit roasted Hampshire Hogs, served with homemade apple sauce, stuffing, soft rolls and crackling and perfect for an evening function or add canapes, starters, salads & desserts as the main event in a wedding breakfast, birthday party or summer ball.

We are very particular about the origins of our ingredients so our pork can only come from Swallowfields Farm in the New Forest.

## **Our 'Hog in a bun' service includes**

Succulent Slow cooked Hog with the most amazing crackling  
Homemade apple sauce  
Sage and onion stuffing
